

M339J: Topics for In-Term Two

☐ The per loss random variable.

☐ The limited loss random variable.

☐ Percentiles.

☐ Generating functions.

☐ Raising to a power.

☐ k -point mixtures.

☐ Continuous mixing.

☐ Splicing.

☐ Ordinary deductibles.

☐ Franchise deductibles.

☐ The loss elimination ratio.

☐ Upper policy limits.

☐ Coinsurance.

☐ The Poisson distribution.

☐ The Poisson thinning.

☐ The negative binomial distribution.
